

I am outraged at Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. How can they break the law and get away with this outrage?

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. I expect your agency, an agency that I support with my tax dollars to do something about this abomination.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

I demand that you protect my rights and take action against Sinclair.

Thank you.
